

Thinking About What's Important for YOU Next Year...and What YOU Did This Year

Coach Ron's Six Critical Questions to Ask Yourself

1. List ALL the objectives you achieved over the past 12 months (2010) that you are most proud of? What do you really feel great about? *(Personal or professional...regardless of how big or small)...list on separate sheet of paper.*
2. Of all the objectives you listed, what were the top 3. Why were they the most important to you? *(Personal or professional...regardless of how big or small)...list on separate sheet of paper.*
3. If I were to ask you to BRAG on yourself, what would you brag about? (This is not the time to be shy!) *(Personal or professional...regardless of how big or small)...list on separate sheet of paper.*

NOW.....LOOKING FORWARD

2011 ANNUAL GOAL REVIEW

1. What are the top 3 goals you intend to establish for the next 12 months? More than anything else, what do you want to accomplish in 2011? (Be very specific) *(Personal or professional...regardless of how big or small)...list on separate sheet of paper.*
2. How will you know if you are being successful? What measurements will you establish? *(Personal or professional...regardless of how big or small)...list on separate sheet of paper.*
3. What will you do to reward yourself when you achieve these objectives—individually or collectively? Provide a very clear reward for achievement. *(Personal or professional...regardless of how big or small)...list on separate sheet of paper.*
